EASTER

Due to current guidelines we are unable to arrange the usual Easter activities. Please do keep an eye out in book bags though for some tasty Easter treats, kindly donated by the NCSA.

ROAD CLOSURE

Please be aware that there is a planned road closure between Stratton and Perrott's Brook area (A417/Cheltenham Road) when we return after the Easter break. This is likely to run until the end of June and cause considerable delays. The school has requested a map with diversion routes from Gloucestershire County Council - as soon as we are in receipt of this, we will share with you.

DANCE ASC

We still have some spaces left for Dance club next term (Wednesday 21st April - Wednesday 26th May). Please contact the office if your child/children would like to book a place.

CIRENCESTER DANCE CLUB

Cirencester Dance Club are opening our physical doors are opening again - I say our physical doors as our doors are never closed to anyone!

We can't wait to share our passion for dance & gymnastics with you all. Even though our virtual classes have been a great way to keep the passion for dance alive for the children and has been a great way for them to stay connected with friends and to keep active - there is nothing like the buzz of a dance class in the studio.

After our Easter break, we are in the studio from Saturday 17th April and we would love to welcome you into our dance family. We offer a wide range of classes and have a wonderful CDC Kidz Club where children get to explore different dance styles in one handy class - so no more hanging around between classes or paying for lots of different classes. There are so many opportunities and we love watching the children grow in confidence and make life-long friends along the way.

Our class sizes are limited though due to keeping Covid safe but we do still have a few spaces in some of our classes so email us on membership@cirendanceclub.org.uk or phone on 07854886356 and we'll help you find your perfect class. Our website is www.cirendanceclub.org.uk if you want to see our fabulous teaching team or read about our values.
