## BIG BRUSH CLUB

The Big Brush Club are visiting our school to undertake a presentation on oral hygiene on 5<sup>th</sup> June. Please see below some useful information about this project: May we also ask all parents/carers to complete the survey on the following link: Please see below some useful information about this project. May we also ask you to complete the survey on the following link: [Parent survey](#)

After the presentation, during the term Reception children will receive some supervised brushing sessions at school, the date of this is to be confirmed. Consent forms and letters for this have been sent out

The poster is divided into two main sections. The left section features the NHS logo and 'AT HOME DENTAL' branding. It includes an illustration of three cartoon animals (a raccoon, a fox, and a rabbit) wearing 'Big Brush Club' t-shirts. A speech bubble from the fox says '1 in 4 children are affected by tooth decay'. Below this, a pink banner reads 'We're bringing supervised toothbrushing to your school!'. The text explains that supervised brushing will be provided in the classroom, and each child will receive a kit to use at school and at home. A QR code is provided for more resources. The bottom of the left section has a pink banner with the slogan 'Brushing together for healthy smiles'. The right section has a pink banner that says 'What's happening at school' and states that children will brush their teeth daily in the classroom and at home. It lists the goals of the program: to improve oral health, provide supervised brushing with fluoride toothpaste, and develop healthy habits. Below this, another pink banner says 'Looking after your teeth' and lists three key points: limiting sugary food and drinks, drinking water or milk between meals, and the importance of regular dental check-ups. The right section also features the 'AT HOME DENTAL' logo, the website 'www.athomedental.co.uk', and the 'Big Brush Club' website 'www.bigbrushclub.co.uk' along with a small cartoon raccoon character.

Service provided by:  
**AT HOME DENTAL**

**NHS**

1 in 4 children are affected by tooth decay

**We're bringing supervised toothbrushing to your school!**

Through supervised toothbrushing in the classroom, engaging resources and guidance, we're here to help your children to build healthy toothbrushing habits.

We're providing every child with a kit to brush once a day at school and, to support this, we are giving each child their own home pack too. We would greatly appreciate your support to encourage children with their brushing in a positive way.

Check out our website for toothbrushing tips and fun resources and videos!

**Brushing together for healthy smiles**

**What's happening at school**

Your child will be brushing their teeth each day in the classroom, but need to brush at home too!

We're committed to improving children's oral health. The aim of the supervised toothbrushing programme is for every child to brush their teeth with fluoride toothpaste once a day in the classroom and also twice a day at home, developing healthy habits which can last a lifetime.

We've trained Oral Healthcare Champions in your school and have supplied all materials, including toothbrushes, toothpaste, toothbrush racks and more!

**Looking after your teeth**

- ✓ **Sugary food and drinks can damage teeth.** Limit these and have at mealtimes only.
- ✓ Between meals, **drink water or milk** and try not to snack.
- ✓ **Dental check ups** are important, and everyone should have regular dental visits.

**AT HOME DENTAL** www.athomedental.co.uk

**www.bigbrushclub.co.uk**

### How much toothpaste?

**Under 3 yrs old:**

- ✓ A smear of toothpaste
- ✓ At least 1000ppm of fluoride content

**Over 3 yrs old:**

- ✓ A pea-sized amount of toothpaste
- ✓ At least 1350ppm of fluoride content

### Be a brilliant brusher!

- 1 Outside**  
Brush the outside surface of each tooth using small, wiggling, circular motions. Make sure to jiggle along every tooth down (or up) to the gums.
- 2 Inside**  
Brush the inside surface of each tooth using the same circular motions. Don't forget to wiggle your brush close to the gum!
- 3 To The Back**  
Brush the tops of the back teeth, where you chew, using a forward and backward motion.
- 4 To The Front**  
Tilt your toothbrush vertically to brush behind each front tooth using small up and down strokes. Remember to brush both the top and bottom teeth.
- 5 Tongue**  
Remember to brush your tongue. Germs and bacteria can hide here!

### Top tips for brushing

- ✓ Help children under 7
- ✓ Brush twice a day
- ✓ Brush gums too
- ✓ Brush teeth for 2 minutes
- ✓ Always use fluoride toothpaste
- ✓ Don't rinse after brushing

Fluoride makes your teeth strong

This is to leave fluoride on your teeth to help strengthen them

We have these fun videos! Stay true your brushing and learn you lots more!

## EXTERNAL NOTICES

18th May  
2024

North Cerney Scamper

fun-run, walk or scamper!  
**5k or 10k**

Sign up now to our community fundraiser!  
organised by North Cerney Village Hall

[race-nation.co.uk](http://race-nation.co.uk)

This fun run being organised by the village hall to support community activities, such as the free use of the Hall by the school /NCSA/ community coffee mornings etc.

The organiser, one of our school parents is hoping to make enough money to also make a contribution to the NCSA!

It will be a fun event with people walking /running a route of 1 or 2 laps cross-country between North Cerney and Rendcomb.

Refreshments, available in the village hall, this will also double as a community coffee morning.

Everyone welcome, be they entrants, supporters or volunteers! However, this is not suitable for children due to the distance.
