GOODBYE LEAVERS

It is that time of year when we must say goodbye to our Year 6 leavers.

We wish you the very best of luck in the next stage of your journey and beyond. We are incredibly proud of what you have achieved in your time at school and the persons you have grown to become.

We hope you keep in touch.

END OF TERM MESSAGE

As we approach the end of the summer term we would like to focus on the positives of an unusual school year. We are incredibly proud of the children and how they have stood up to the challenges faced during the COVID-19 pandemic and also the unity it has created in our community supporting one another - between the staff, the parents, the pupils and the whole village.

This academic year the school has focused on settling everyone back into the routines of school life with a continued focus on the health and wellbeing of our children through our Christian values, multi-sports and cookery clubs to name but a few.

Finally we would like to express our thanks for all the continued support from members of the community, the NCSA and for the parental support in all the improvements around the school. We look forward to September and another busy year at North Cerney Primary Academy.

From all the staff we hope you have a wonderful and very well earned summer break!

FOREST SCHOOL

Wren class have been enjoying the new forest school area. They have been bug hunting, finding mini treasures and digging.

SCIENCE

Kingfisher class have enjoyed learning all the parts of a flowering plant.

STEMWORKS KNEX CHALLENGE

KS2 had great fun working on the KNEX Challenge with the STEM (Science, Technology, Engineering and Maths) team. They enjoyed a hands on practical workshop that encouraged pupils to use their skills in a different context, building confidence, developing teamwork and learning new skills. It was a great morning.

COOKERY CLUB

What a fantastic day! Chef Mel and chef Anna came to visit from The Kitchen Club.

We made chick pea and lentil burgers. They were delicious. We had a lovely dressing on our jam jar salad.

Do you like our beeswax wraps? They were easy to make and are compostable. We always make such great food when The Kitchen Club comes to visit.

ZOLA THE READING DOG

We are so lucky, meet Zola, she is our reading dog. Thank you so much to Mrs Roberts for bringing her in. She is so friendly and relaxing. I hope she is enjoying the reading as much as we are.

EYFS FARM VISIT

We do love our visits to Scrubditch Care Farm. Summer Is here. We fed the chickens, pigs and of course Manny the horse. EYFS get such lovely experiences visiting the farm. They had new chickens we had to befriend.

SPORTS DAY
