OFSTED SURVEY ON PARENT VIEW

Parents and carers can give their views of our school at any time during the school year and at the time of a school inspection using an online questionnaire called Parent View.

When our school is notified of its next Ofsted inspection, parents will be invited to give their views about the school to inspectors using the Parent View online facility, as this has replaced Ofsted's paper questionnaire. Please make sure we have your most up-to-date contact details.

Please register with an email address and a password at <https://parentview.ofsted.gov.uk>

Once your login has been activated, it only takes a few minutes to answer 12 short questions about aspects such as bullying, the quality of teaching, the level of homework set, etc.

Your views are important in helping inspectors make a decision about our school, and to help us know what is going well and what could be improved.
