ATTENDANCE

Attendance in school is key to our children's learning. Since September 2024 there have been 571 morning or afternoon sessions missed. This is equivalent to 285.5 days of education. Please ensure that your child attends school. We have 48 children in school so the average per child is 5.9 days lost learning.

Congratulations to Owl and Kingfisher class who have won the attendance bear for the week commencing 16th June 2025. Ernie will sit in Owl and Kingfisher class this week.

NCSA

The NCSA invite you to a stay-and-play in the School Field on 26th June. The Field will be open from 3-4 pm for pupils and their families to enjoy the sunshine after school.

Couple of details:

- Access will be from the School Field gate (we will not be accessing the school buildings)
- Please no dogs (unless guide dogs) or smoking / vaping on the school field.
- Children are to be supervised by their parents / carers at all times

Any questions, reach out to Jessica James - NCSA Chair.

We are also very pleased to announce the date for our annual BBQ and duck race, held in the Bathurst Arms garden on Tuesday 8th July 5-7pm. This has always been a great occasion to get together and raise money for the school. We have sent out a letter with more details including a reply slip.

MOVE MORE

A webinar will take place on Wednesday, the 25th of June at 1pm online (link to register is below). The topic is "Consequences, punishment and rewards - what works?" Specifically, we will be looking at the following:

- Impact of punishments on children's development and emotional needs
- Differences between punishments and consequences - which one is appropriate to use and when
- Differences between natural and logical consequences
- Impact of rewards on children's emotional needs
- Alternatives to punishments, consequences and rewards: how to focus on solutions, problem solve, following through and master the art of encouragement.

MOVE MORE
LIFT CHILD VALUES

Consequences, Punishments & Rewards

When: Wednesday 25th June at 1pm
Duration: Approximately 60 minutes

Have you ever used naughty step to address your child's behaviour? Have you ever issued an "electronics ban" as a consequence for their defiance? Or rewarded them with a sticker or a token for good listening? If yes, you are not alone. These are all common parenting practices and most of us use them without thinking. But do consequences, punishments and rewards actually work? And how do we know if they are effective or not? More importantly, do they cause any long-term effects on children's development? Finally, what, if any, are the alternatives? If you are intrigued by these questions and would like to find out more, our next webinar is the right place for you.

To help you answer these questions, our next session will be focusing on:

- Impact of punishments on children's development and emotional needs
- Differences between punishments and consequences - which one is appropriate to use and when
- Differences between natural and logical consequences
- Impact of rewards on children's emotional needs
- Alternatives to punishments, consequences and rewards: how to focus on solutions, problem solve, following through and master the art of encouragement.

How do you sign up for the online session?
To register for this online session, please follow this link:
move-more.org/event/consequences-punishments-rewards/

It will take you to our website where you will be asked to answer a few simple questions. We would encourage you to register even though you might not be able to attend the session live, as all registered participants will receive a recording of the session to watch in their own time.

Are signed up, what happens next?
Once you complete our short registration form, you will be registered for the online session. You will automatically receive an invitation for the zoom session. If you don't hear from us by the 24th of June, don't hesitate to contact: helena@move-more.org. Please make sure you check your junk/spam folders.

GLOUCESTERSHIRE COUNTY COUNCIL

We would like to make you aware of the holiday Free School Meal (FSM) voucher scheme that Gloucestershire County Council is currently offering to families in Gloucestershire.

Applications for holiday FSM vouchers for the summer holidays 2025 will be open from midday on 24 June until midday on 8 July. Voucher emails will be sent from week commencing 14 July.

Please check your junk/spam folders during this period as sometimes the vouchers end up there.

If you have not received their vouchers by 21 July, please encourage them to submit a query via the Microsoft Form [HERE](#)

This summer holiday, Gloucestershire County Council will provide families in receipt of Free School Meals, who sign up to this offer, with vouchers to assist with food costs during the school holidays. The vouchers are funded through grant funding we have received, and they are separate to that of term time free school meals.

The scheme is for children in reception to year 11 who receive Pupil Premium (benefits-related) free school meals and attend a school in Gloucestershire.

Families who have signed up to the scheme or who are already registered will receive a total of **£15 per child per week for two weeks**.

To find out more about the scheme and to apply, parents can visit our [FAQs | Gloucestershire County Council](#)

Families who have signed up previously do not need to re-register for the summer holiday vouchers - they will already have been included. Families that have previously signed up will need to contact us with any changes to their circumstances (e.g. if the number of children eligible increases or decreases). To ensure we reach all those who are eligible, we are encouraging parents that have not previously signed up, to sign up as soon as they can.

Please note we check eligibility for the scheme by cross-referencing with the term-time free school meal register, so please make sure parents are registered beforehand. You can register by visiting the [apply for free school meals](#) page. If your school is one of the five that do not use this method, we will require confirmation from yourselves on the child's eligibility. You can find more information on what schools these are on the link above.

Using vouchers - vouchers need to be used will only be awarded once you have registered for the scheme and cannot be backdated. Vouchers are valid for 6 months, although should be used in the holiday period in which they are awarded. If vouchers are not claimed and have expired, they cannot be re-issued. Vouchers not received should be queried via the Microsoft Form [HERE](#) by the end of the holiday period.

For any parents wishing to update details of an existing application, please ask them to submit an update existing details request via the Microsoft Form [HERE](#) so we can update their account, as details are not automatically updated.
