HOLIDAY FREE SCHOOL MEAL VOUCHER SCHEME FOR MAY HALF TERM

This May half term, Gloucestershire County Council is providing vouchers to parents who have signed up to our Holiday Free School Meals (FSM) scheme. These vouchers are provided by Gloucestershire County Council as part of its commitment to 'no child goes hungry'. The vouchers are funded through grant funding we have received and is separate to that of the term time free school meals.

Parents who have signed up to the scheme will receive a voucher for £15 for each child who is eligible for FSM which will cover the May half term week. The scheme is eligible for children aged 4-16 years old. Unfortunately, we are unable to consider college and sixth form students.

Parents who have signed up previously do not need to re-register, they have already been included, but to ensure we get all who are eligible, we are encouraging new parents to sign up as soon as they can.

For parents who have already signed up, if more of their children have become entitled to free school meals since they applied, please ask them to contact us so we can update their amount, as this not an automatic process.

Applications for Holiday Free School Meal Vouchers for the February half term period is now open until the 24th May. Voucher emails will be sent out between 25th and 26th May. Please encourage parents to also check their junk/spam email folders during this period as sometimes the vouchers end up there. If parents have not received their vouchers by then please encourage them to get in contact with us by emailing childrensfund@gloucestershire.gov.uk with the following details:

- Their full name
- If they have received any vouchers for the holiday and if so, how much.
- When they originally signed up for the scheme
- The email that they signed up to the scheme with
- Their eligible child(ren)'s
 - Name
 - School year they are in
 - School they attend.

For more information and to sign up if you haven't already, please visit our website: the [Holiday Free School Meal vouchers page on our website](#).
