

Newsletter Term 4: April 2020

Our Christian value this term is: Forgiveness

MESSAGE FROM MRS PASCOE

All our lives have changed quite dramatically in the last week or so but I hope you and your families have managed to enjoy the spring sunshine. This is all very new to all of us so we are learning as we go. Well done to all of you for finding your way around class Padlet pages and embracing the challenge of home learning!

The teachers have been working hard to make sure you have access to appropriate learning activities for your children. Please help your children to access their class Padlet pages and encourage them to share work and comments with their friends. Please make use of the online learning platforms and encourage children to explore the creative opportunities on Purple Mash.

Teachers will not be setting work over the Easter holiday fortnight, but we ask that you keep them reading! We are all still here so please keep in touch and let us know if you need help or advice for supporting learning at home.

BIRTHDAYS

Happy birthday to Alex and Bethany, who will be celebrating their birthdays in April.

STAR CERTIFICATES

Wren Class

Congratulations to Arrie, Angus, Ryan and Esther for quizzing every day - keep up the good work!

Congratulations to Hugo, Mikayla and Ryan who have achieved their certificate for Bronze Athletics.

Kingfisher Class

Congratulations to Holly, Bailey, Albert and Sophie who have achieved their certificate for Bronze Athletics.

Congratulations to the whole class who are top of the leader board for their Spelling and Maths activities on Spelling Shed.

Owl Class

Congratulations and thank you to all those children sharing comments and participating on our online platforms. In particular Ruby, Oscar, Eloise, Nate and Felix.

READ FOR READATHON

Readathon is still underway. This could be a good opportunity for your children to read as much as they can. Sponsorship can be donated online via <https://readathon.secure.force.com/sponsor>

ONLINE SAFETY AT HOME

With children accessing entertainment and learning online it is especially important to be aware of online safety. Please make use of the resources we have sent out from Thinkuknow and carefully monitor your children's access to the internet.

SCHOOL CLEAN UP

The teachers and TAs who have been in school have seized the opportunity to give the place a declutter and spring clean, so that it is at its best to welcome children back when we are able to reopen.

Keep washing your hands and keep yourself and those around you safe. We miss you all! Take care and keep smiling! Sending lots of love to you and your families, from us all at North Cerney!

Enjoy the pictures overleaf.

Mrs Whittenbury and Mrs Buckland transformed the corridor cupboard into a new STEM stockroom with exciting science, design and technology resources that we cannot wait to use.

Mrs Gray re organised her classroom- again!

The corridor cupboards had a huge sort out

Nate planted potatoes for the EYFS children to look after when school reopens.

Miss Law played with ice!!!

Mrs Gray's mum has also been busy during self-isolation and is knitting bible characters for our story sacks.

Thank you to Mrs Bennett-Bright's husband for organising a hamper for vulnerable and key worker children and staff, courtesy of Tesco!! Yum!!
