SUMMER READING CHALLENGE

This year the Summer Reading challenge is 'Wild World Heroes' and follows an environmental theme. You can do it on-line, as the library has a huge range of books available to read on-line. Cirencester Library is also open: you can visit and use it as normal, or you can use their 'Request and Collection' service to request books to collect.

You will need a parent to log in, when logging into the website for the first time. Once you are in, there will be books on-line and games to play on the topic of 'inspiring readers to stand up for our planet'.

GLASS FUSION WORKSHOP

Everyone enjoyed participating in making a fused glass mural for the school and we are delighted with the results!
