## BIRTHDAYS

Happy Birthday and congratulations to Lexi in Wren class and Mina and Rohan in Owl class who will celebrate their birthday this week.

## YEAR 6 SKERN LODGE

Please ensure that the latest instalment for the Skern Lodge residential (9<sup>th</sup> January) has been paid via ParentPay. If you have any problems paying, please speak to the school office.

## DRAMA CLUB CANCELLATION

Due to essential staff training there will be no drama after school club on Thursday 19<sup>th</sup> January. Please contact the office should you wish to book the after school club provision.

## ADVICE FOR PARENTS/CARERS ON COMMON WINTER BUGS & VIRUSES

With lots of common winter bugs and viruses circulating at the moment, the NHS in Gloucestershire, including the Paediatric consultant team, has developed advice for parents and carers of children to help care for them at home or know when health advice may be needed.

There is understandable concern amongst the public following reports of children and young people with Strep A or Scarlet Fever going on to develop serious illness. However, health leaders are reassuring people that Scarlet Fever is usually a very mild illness that can be easily treated with antibiotics, and it is very rare for children to go on to develop the more serious illness known as invasive group A strep (iGAS).

Please do read and bookmark the advice and share with friends and family:
