Attendance in school is key to our children's learning. Since the beginning of term there have been 433.8 morning or afternoon sessions missed. This is equivalent to 216.9 days of education. Please ensure that your child attends school. We have 42 children in school so the average per child is 5.16 days lost learning. RECEPTIONS - CONTINUOUS PROVISION

This week in our continuous provision we have been discussing the Polar Regions.

We made our very own masks of animals we know live there and had fun with role play.

ONLINE SAFETY: ONLINE RELATIONSHIPS

We want to support parents and children to feel confident in using technology safely.

Here are our weekly e-safety tips for Online Relationships.

Ways to Support Your Child at Home

- **Talk about online friendships** – Ask your child who they enjoy talking to online and what they like about it. Encourage them to share both positive and negative experiences.
- **Model kindness and respect** – Show how to communicate politely online and remind children that tone and humour can be misunderstood in messages.
- **Reinforce permission and consent** – Practise asking before sharing photos, stories, or videos, and encourage children to do the same with friends and family.
- **Discuss strangers online** – Explain that not everyone online is who they say they are and encourage your child to come to you if they're unsure or feel pressured.
- **Encourage balance** – Help children set limits around gaming, messaging, or livestreaming so that online time doesn't take over.
- **Talk about consequences of sharing** – Discuss how screenshots, reposts, or "private" messages can still be shared widely and may affect others' feelings or reputations.
- **Know where to get help** – Reassure your child they can always talk to you or another trusted adult. Remind them that support is also available from school or services such as Childline.
